

ADRC Annual Centenarian Search!

**Do you know someone who was born in or before
1919?**

Each year the ADRC of Northwest Wisconsin recognizes and celebrates centenarians living in Polk and Burnett Counties. Last year we recognized 26 individuals who are 100 years of age and older between the two counties.

Centenarians are featured in our monthly newsletter, a few local papers, at the Polk County Centenarian Celebration and at the Burnett County Centenarian Celebration, and at each local county and community fair.

**We need your help finding these folks who are most deserving
of this recognition and celebration!!**
