

Living with Alzheimer's Education Series

AND

Dementia Live®

Do you have a loved one living with Alzheimer's Disease? Join the ADRC of Northwest Wisconsin and the Wisconsin Alzheimer's Association for this three-part education series covering each stage of Alzheimer's Disease and specific information YOU need in each stage as you care for your loved one.

Also featured is Dementia Live, a dementia simulation experience that immerses you into the life of dementia. Walk away with the insight and information you need throughout the Alzheimer's caregiver journey.
