About the ADRC of Northwest Wisconsin
Mission and Vision
To provide older adults and people with physical or
developmental/intellectual disabilities the resources
needed to live with dignity and security and achieve
maximum independence and quality of life. The goal of
the Aging and Disability Resource Center is to empower
individuals to make informed choices and to streamline
access to the appropriate services and supports.

Who We Serve
We proudly serve Polk County, Burnett County, and the
St. Croix Chippewa Indians of Wisconsin. We serve older
adults and individuals living with a physical or
developmental disability, or with mental health/substance
abuse issues (starting at 17.5 years old).
We offer guidance to caregivers, family members, spouses, and professionals in the community. We assist all people – regardless of income.

**Who We Are**
The Aging and Disability Resource Center, known as the ADRC, provides the general public with a warm and welcoming office to contact for information and assistance on issues affecting older people and people with disabilities, regardless of income. The ADRC is the first place to go with your aging and disability questions. We are an “information station” where you can receive accurate, unbiased information.

**What We Do**
By enabling people to find resources in their communities and make informed decisions about long-term care. ADRCs help people conserve their personal resources, maintain self-sufficiency, and delay or prevent the need for potentially expensive long-term care. ADRCs also serve as the single access point for publicly funded long-term care, including Family Care and IRIS. It is never too early to start asking questions. We encourage you to call us and begin planning for your future needs. Of course, we can also assist you with questions or challenges you may be facing now. Most services offered by the ADRC are provided free of charge. People who use transportation services provided by the ADRC are charged a co-payment for rides.
Meal services, such as congregate dining and home-delivered meals, do not charge a fee if you are 60+ years of age but a donation to the program is appreciated. Others are asked to pay $10 per meal.

**ADRC Services**

**Disability Benefits Specialists (DBS):** Providing benefits counseling to adults ages 18 to 59 with physical disabilities, developmental disabilities, mental illness, and/or substance abuse disorders.

**Elder Benefits Specialists (EBS):** Providing assistance to adults ages 60 and over who are having problems with their private or government benefits, or who simply have questions about their benefits.

**Caregiver Supports:** Provide information to caregivers about available services and to assist caregivers in accessing those services. We co-facilitate two support groups.

**Dementia Care Specialist (DCS):** Specializes in the specific needs and concerns of people living with dementia, caregivers and family, and professionals. Anyone who has concerns/questions about dementia or Alzheimer’s can also contact the DCS.

**Help Paying for Long-Term Care:** The ADRC is the entryway to publicly funded long-term care programs (Family Care and IRIS). We determine eligibility and help you to determine which program best meets your needs.

**Information and Assistance:** Specialists will listen to your concerns, assess your needs, and help connect you to service providers.
**Options Counseling:** Offering information about the choices available to meet your long-term care needs and discuss the spectrum of care.

**ADRC Nutrition Program:** Includes group dining at six sites throughout Polk and Burnett Counties. For those who qualify, Meals on Wheels® are also offered.

**Transportation:** Non-emergency medical transportation to people with disabilities of all ages and people aged 60+. The ADRC has a wheelchair-accessible van and minibus that is used for shopping, errands, and social trips.

**Vital Connections:** If someone is at risk of abuse or neglect, losing housing or heat, we are here to connect you to someone who will respond to your urgent situation.

**Community Programming:** Provides and sponsors an array of educational and community outreach programs focusing on health promotion, prevention, caregiving, planning for the future, and topics of interest to community members.

**Loan Closet/Lending Library:** Allows people to borrow items such as walkers, bath chairs, wheelchairs, and toilet seat risers for up to 6 months at no cost. Educational resources available to borrow or purchase for individuals affected in some way by dementia, memory loss, and/or Alzheimer’s disease.

**Monthly Newsletter:** “The Voice” newsletter has useful information about updates in the community and resources.
Youth Transition Services: Assists with the transition process of youth living with a disability transitioning to adulthood starting at 17.5 years old. Offers a single-entry point for information and assistance on issues affecting students.
