Similar to last season, service will be BY APPOINTMENT ONLY. This year we will require only one visit. We will prepare your return, conduct our quality review, and go over your COMPLETED tax return all in the same visit. Before you leave, you will receive a copy of your tax return before authorizing the electronic filing of your return.

The AARP phone line opened for service starting January 8, 2024 to schedule appointments and to answer questions that you may have.

Please contact the local AARP volunteers at 715-391-9220.

You will need to contact them to schedule an appointment and request a Tax Aid packet. The packet will be mailed to you in advance and must be completed prior to appointment. Please complete and sign the intake form and bring with you. **Please note one change this season**, we are no longer able to do returns for taxpayers with Minnesota income.

We WILL need each person to bring last year's taxes and all the income sheets, 1099s, W2's, etc., property tax and/or rent certificates with them when they come the first time. Please check last year's taxes to be sure all information is complete.

We look forward to bringing this much needed service to the community!
