Transportation Program

Volunteer Driver Program

The ADRC of Northwest Wisconsin coordinates transportation to and from medical appointments for individuals 60+ and adults of all ages living with a disability. Transportation is provided by volunteers who use their own vehicles. Participants must be able to get in and out of a vehicle with minimal assistance.

Cost is based on the number of miles traveled by the volunteer driver starting and ending at the volunteer driver's home. Passengers are invoiced monthly based on the following:

- Co-Payment: 35 cents/mile
- 5+ Trips per Month: 17.5 mile
- VA Medical Center Trips: \$30/round trip.
- VA Medical Center Trips using an ADRC accessible vehicle: \$50/roundtrip.

For veterans who receive travel pay, the cost is equal to the amount of travel pay they receive for that trip. Veterans are responsible for paying the remaining balance of the trip if the travel pay is less than the rate.

Rates may be adjusted based on changes in the Federal IRS Mileage Reimbursement Rate.

How Do I Get Started?

Call the ADRC of Northwest Wisconsin at 877-485-2372 at least 2 weeks in advance to ensure all paperwork is complete prior to when you'll need transportation assistance. Once entered and approved in the dispatch program, you are eligible to make ride requests.
