# ABOUT THE ADRC OF NORTHWEST WISCONSIN

## MISSION AND VISION

To provide older adults and people with physical or developmental/intellectual disabilities the resources needed to live with dignity and security and achieve maximum independence and quality of life. The goal of the Aging and Disability Resource Center is to empower individuals to make informed choices and to streamline access to the appropriate services and supports.

## WHO WE SERVE

We proudly serve Polk County and Burnett Counties. We serve older adults and individuals living with a physical or developmental disability, or with mental health/substance abuse issues (starting at 17.5 years old). We offer guidance to caregivers, family members, spouses, and professionals in the community. We assist all people – regardless of income.

## WHO WE ARE

The Aging and Disability Resource Center, known as the ADRC, provides the general public with a warm and welcoming office to contact for information and assistance on issues affecting older people and people with disabilities, regardless of income. The ADRC is the first place to go with your aging and disability questions. We are an “information station” where you can receive accurate, unbiased information.

## WHAT WE DO

By enabling people to find resources in their communities and make informed decisions about long-term care. ADRCs help people conserve their personal resources, maintain self-sufficiency, and delay or prevent the need for potentially expensive long-term care. ADRCs also serve as the single access point for publicly funded long-term care, including Family Care and IRIS.

It is never too early to start asking questions. We encourage you to call us and begin planning for your future needs. Of course, we can also assist you with questions or challenges you may be facing now.

Most services offered by the ADRC are provided free of charge. People who use transportation services provided by the ADRC are charged a co-payment for rides. Meal services, such as congregate dining and home-delivered meals, do not charge a fee if you are 60+ years of age but a donation to the program is appreciated. Others are asked to pay \$10 per meal. (As of Sept. 2022, policies have temporarily changed, please check our website, or call for details)
