

## ADRC TRANSPORTATION

The Aging and Disability Resource Centers of Northwest Wisconsin facilitate group trips for seniors and people with disabilities by coordinating accessible vehicles (minivan/buses) and drivers, offering low-cost social outings. ADRC Transportation provides fun excursions and shopping trips, all managed by the transportation department, helping navigate diverse needs and options for community participation.

This program addresses critical mobility barriers and isolation, allowing mature adults to stay active and maintain independence. Call or email us today to schedule your ride, or if you have suggestions for outings at **(715) 485-8592** or [ADRCtransportation@polkcountywi.gov](mailto:ADRCtransportation@polkcountywi.gov)
